		STABILIZER 7		<b>TOTAL:</b>

F-111 colors: Black, Navy, Royal, Marine, Gray, Red, Sky Blue Neon Purple (magenta), Gold, Yellow, Kelly Green, Jade, Blackberry (dark purple). Neon Yellow, Neon Orange, Neon Green limited availability, call. Color availability and prices subject to change without notice	Standard canopy includes: Stainless steel, connector links, link, Covers, black lines, red Tail Gate, Friendly lines, large mesh Slider, Tail Pocket and Tail Gate.	HTS (Hybrid Top Surface). This option places ZP fabric on the forward 1/3 of the top surface. HTS provides better lift, most noticeable during a flare.  The Multi use a total of 4 or 2 (new modified Multi) lifting points instead of just 1 bridle attachment.  Vtec stands for Vent Technology - bottom surface vents that allow air to enter the airfoil, immediately after line stretch, resulting in a quicker pressurization of the airfoil.
